

Getting Started

SELLER GUIDE

What's Needed:

- Laptop, tablet or mobile device
- White card stock (60lb+)
- 1.5 - 2.0 inch safety pins
- Plastic or wire hangers
(Use child for 4T & under; adult size for 5+)

- Quart, gallon & XL clear storage bags
- Clear packing tape
- Painters/masking tape
- Scissors
- Ribbon, string or zip-ties

Optional Supplies:

- Tagging gun & barbs
(Watch training videos)
- Paper Cutter
- Printer
- Cleaning Supplies
Magic Eraser, stain remover, bleach pen, wrinkle releaser and odor remover, etc.

No Printer? No Problem!

When you finish creating your tags use the "Print PDF" option and save the PDF file. Printing your tags at an office supply store will save you ink (have them print in black and white, not color - it's cheaper!) and time. Don't forget to ask them to cut your tags!

STEP 1: GATHER YOUR ITEMS

Children cycle through a new wardrobe every 6 months, so it's no surprise you feel overwhelmed. It's time to gather everything they no longer wear or use. Check seasonal guidelines regarding what's in and what's out for each event.

STEP 2: ORGANIZE

- 1 Grab 3 totes or baskets and label them:
KEEP, SELL, TOSS

(Have extra boxes or trash bags available)

- **KEEP** - items that you aren't ready to get rid of yet.
- **SELL** - items you want to sell. (Spring or Fall)
- **TOSS** - items that don't meet JBF standards.

Decide which tub each item should go in.

- 2 When you're done, set aside the **KEEP** bin for now. Take the **TOSS** bin to your local charity, repurpose the items, or throw them away.
- 3 Separate the items in the **SELL** bin into Spring and Fall piles. These items are ready for Step 3.

The 4 C's Rule

HOW TO KNOW WHAT TO SELL

Clean

The newer it looks, the better it sells. Plan to clean clothes, shoes, equipment and toys.

Current

Sell clothing and shoes in current styles and fashion. Make sure they're the right season!

Complete

Toys, games and puzzles must be sold as a complete set without missing pieces.

Compliant

Safety guidelines apply to selling a car seat, stroller, baby equipment and toys. Check <https://www.cpsc.gov> for recalls.

JBF Standards: We accept new or gently loved items that are **NOT** broken, torn, stained, or missing pieces. Ask, "Would I buy this for my child?" If the answer is no, then it doesn't meet our standard. Place item in **TOSS** bin.

STEP 3: PRICE & PREP

When you sell at JBF, you are in control of the price of each item. You also decide if it goes half price during our discount sale times. If the item doesn't sell, you can either donate the item to our local charity partner, or you can pick it up.

We recommend pricing at 1/3 of retail! Ask yourself, "What price would make me buy this item and brag about it to a friend?"

Price non-clothing items (Toys, Baby Equipment, Books, Games, etc.)

at **30-50% OF** retail price

PACKAGE: Receiving blankets can be placed in a ziplock bag, larger blankets may be hung. Bundle blankets, washcloths, and towels with ribbon or string like a package.

TAG: If placed in a plastic bag, attach tag securely with packaging tape to the outside of the bag and tape the bag shut. Make sure the barcode/QR code is not covered with packing tape, as the glossy tape can cause the barcode to not scan. If bundled with string, attach tag directly to blanket and tuck it under the ribbon/string so that it does not easily get pulled off.

PLEASE NOTE: We are unable to accept comforters, sleeping bags or bumper pads.
