DROP OFF SCHEDULE: Greater Philadelphia Expo Center (Hall C)

100 Station Ave | Oaks

DROP OFF PREP:

Season: Fall and Winter clothing and shoes.

Waiver(s): Consignor waiver is to be completed PRIOR to drop-off ONLINE! No paper copies will be available! Car seats / Cribs must have their own individual waivers filled out (paper copy only) and must also have manual attached.

Packing Tip: Pack your items by their zones! Sort clothing, shoes & accessories by gender, size & category for super fast drop-off.

Tags: Printed on WHITE cardstock. NO handwritten changes or white-out accepted.

Time: Depending on the number of items you are consigning, please allow 30-90 minutes for drop-off

Quality: Bring your best! All items brought to the sale must follow our JBF standards - new or gently used items that are NOT broken, torn, stained, or with missing pieces. If you would not buy an item for your child and it doesn't meet your standard, then it doesn't meet ours, either.

Get Paid! Make sure that you receive our emails - your check will be emailed within 10 business days after the event by the Deluxe eChecks system. The email will come from Buds Too, Inc.

DROP OFF BY ZONE:

How to drop off for Zones 1-3:

Place your items in the appropriate spots on the tables or shelves (please follow the signage.) Our team will organize, sort, and assist you as needed.

How to drop off for Zone 4:

Place shoes and accessories in bins on the shoe inspection tables and accessory inspection tables by size and gender. Shoes and accessories will be inspected after drop off and placed on the shelves by team members. Any shoes or accessory No Thank You items that are not designated as Donate on the white JBF tag will be available for pickup after the sale at Consignor Pick Up. Accessories are limited to **10** per consignor.

How to drop off for Zone 5:

Perfect Consignors are to place clothing sizes 0-14, Teen (limit 20 per gender), and Maternity (limit 10) directly on the clothing racks by gender, size and category. Teen clothing with to be inspected on the racks throughout drop off. All other consignors are to drop off all clothing (including teen) at the inspection drop off area. After clothing items are inspected, place clothing directly on the clothing racks by gender, size & category. No Thank You clothing sizes 0-14 and Maternity for consignors that had to go through clothing inspection will be available in bags with a receipt on your inspected rolling rack. No Thank You teen clothing for all consignors will be available for pickup after the sale. **250 Tag limit on ALL hanging clothing.**

How to drop off for Zone 6:

Place books according to book type/signs in the appropriate bins. Team Members will organize the books binding side up for you.

How to drop off for Zone 7:

Items that require a yellow ticket cannot be brought to the yellow ticket area through the check-in entrance - they must be brought to yellow ticket drop off through the yellow ticket drop off doors only on the right side of the building. All items must be assembled by the seller. JBF will sanitize items as required. You will staple the white JBF tag you created to the yellow tag that we will provide at yellow ticket drop off. Attach the yellow tag to your item(s) with the supplies we will provide and JBF team members will take care of the rest!
